

LaRC SAFETY HIGHLIGHTS

July 7, 2003

FY 2003 - Civil Servants

() = Number of new occurrences

OSHA Recordable Cases = Fatalities, Lost Time, Incidents, and Restricted Work Incidents.
Incidents = Cases in which more than first aid treatment is required, but less than 8 hours of time is lost.
Restricted Work Incidents = Cases requiring first aid treatment, resulting in light duty restrictions.

Injury/Mishap Information

- The Center has been **103** days **without** a Civil Servant **Lost Time Injury**. **(Record 433 days)**
- No first aid cases involving civil servants were reported.

One More Time, Cross Walk Safety - Pedestrians, don't be like Jonathan Jay whose epitaph read, *"Here lies the body of Jonathan Jay who died protecting his right-of-way. He was right as he walked along, but he was just as dead as if he'd been dead wrong."*

Drivers - During the summer months, there are many people on Center who are not familiar with LaRC. Please be courteous to pedestrians and stop to allow them to safely cross in crosswalks.

Pedestrians - It is your responsibility to ensure that traffic is stopped before entering a crosswalk. Do not assume that a vehicle will stop. In a battle between a vehicle and a pedestrian, the vehicle will win every time.

Weekly Video Schedule - July 7-11, 2003 - Office Safety - It's a Jungle Out There; Back At Work; Pro-Active Safety in Action - Accidents Don't Have to Happen; Stairways and Ladders - The First Step; and Fire in the Workplace. (Call Chip Quinn, 48743)
